Make sure you watch the opening video *Student Introduction to Moodle*. You should review other tutorials then become familiar with the course weekly layout in Moodle.

UNIVERSITY STATEMENT ON ATTENDANCE: “Missouri Western State University has the expectation that students should be active participants in their coursework. Regular class attendance is considered a key element of participation and an essential part of the educational experience.” (Re. MWSU 2012-2013 Catalogue, pg. 27)

Class Attendance Policy: **Late Work will not be accepted.** You will be allowed three class absences without penalty (except assignment deadlines must be met). Any classes missed beyond these three will require you to consult with your instructor. Records will be kept of any agreements.

UNIVERSITY ACADEMIC HONESTY POLICY: Academic honesty is required in all academic endeavors. Violations of academic honesty include any instance of plagiarism, cheating, seeking credit for another’s work, falsifying documents or academic records, or any other fraudulent activity. Violations may result in a failing grade on the assignment, failure for the course, or expulsion from the University:

### Definition of Plagiarism

Plagiarism is a specific kind of academic dishonesty in which you take another’s ideas or words and claim them as your own. When you draw on someone else’s work, you must indicate the source of that material, whether you are repeating another’s words, argument, or thought. Even if you paraphrase another’s work and are not using the exact wording, you are still required to indicate the source of the material. This material must be clearly identified with appropriate citations. If you do not do that, you have plagiarized those materials. Any time you copy and paste any writing that is not your own for an assignment, you must use quotation marks and give the source of that material. If you cut and paste without noting what you have done, you will be guilty of plagiarism. Even if the writing is your own, if it has been used for a previous assignment that should be indicated.

CIVILITY AND COOPERATION: Missouri Western requires all students to help us maintain good conditions for teaching and learning. All students will treat their classmates, teachers, and student assistants with civility and respect, both inside and outside the classroom. Students who violate this policy may, among other penalties, be counted absent and asked to leave temporarily or permanently based on the seriousness of the violation. You should review your Missouri Western student handbook, specifically sections of Community Expectations and Code of Conduct and Procedures for further information. This handbook is available online at <http://www.missouriwestern.edu/handbook/index.pdf>
